## Doorstep Fuel Delivery

Repos Fuel DATUM is an innovative fuel management solution that provides consumers with full visibility over their DG Set fueling processes.

It includes secure storage and efficient distribution to on-site vehicles and machinery, helping businesses reduce vehicle fueling downtime, accelerate daily operations, and achieve overall growth.

## Steps To Use DATUM X

1 Installation

Install DATUM X for your DG Set

2 Mobile App Setup

Download and install the Repos Mobile App

3 Define Fuel Threshold

Access DATUM X interface in the app

6 Easy Fuel Ordering

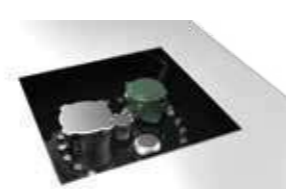

Order additional fuel through app with just a few clicks

5 Automatic Fuel Supply

When fuel level drops, DATUM X supplies backup fuel

4 Automated Monitoring

DATUM X monitors fuel levels ensuring constant supply

## Features of DATUM X

300, 500, 1,000 & 2,000 litres

IoT Controller

Safety Fittings

Fuel Level Sensors
